### **State Board Issues Final Order**

At its meeting on August 25, 2010 the Ohio State Board of Registration for Professional Engineers and Surveyors issued a final order revoking Kaiser Aziz's professional engineering license.

**Kaiser Aziz, a resident of Spring, Texas**, was charged with violations of Ohio Revised Code (ORC) 4733.151 (A) and (G), 4733.20 (A) (1) and (5), 4733.22 and Ohio Administrative Code 4733-35-09 for failing to complete the continuing education requirement and falsely reporting on his annual renewal that he had completed the annual continuing education requirement. An adjudication hearing was held on June 30, 2010. The Board, based on the hearing examiner's recommendation, voted to revoke Aziz's professional engineer registration.

### **ABOUT THE BOARD**

*The Ohio State Board of Registration for Professional Engineers and Surveyors is the state agency that regulates and licenses the professions of engineering and surveying in Ohio. The Board has approximately 30,000 registered professional engineers and professional surveyors, 2,200 registered engineering and surveying firms and administers more than 2,500 licensing examinations yearly.*
