Board Revokes Steven M. Sokol's P.E. Registration

At its meeting on March 13, 2008 the State Board of Registration for Professional Engineers and Surveyors revoked the Professional Engineer registration of **Steven M. Sokol of Brunswick, Ohio.**

In January 2006 the Board received a complaint alleging that Steven M. Sokol affixed the professional surveyor seal of David J. Zeck to documents without his knowledge and signed Mr. Zeck's name to documents bearing his professional surveyor seal. During the course of the Board's investigation, it was discovered that Mr. Sokol affixed Mr. Zeck's professional surveyor seal and signed his name to hundreds of surveying documents that had been submitted for approval to Medina County and Cuyahoga County.

An adjudication hearing was held and on March 13, 2008 the Board accepted the *Report and Recommendation* of the Hearing Officer and moved to revoke Mr. Sokol's registration as a Professional Engineer for violations of Ohio Revised Code Sections 4733.20 (A) (2) and (5), 4733.22 and Ohio Administrative Code 4733-35-02.
